

Year 7 Catch-up Premium

The literacy and numeracy catch-up premium gives schools additional funding to support year 7 pupils who did not achieve the expected standard in reading or maths at the end of key stage 2 (KS2).

All state-funded schools with year 7 pupils receive this funding. The money is to be used by schools to deliver additional tuition or intensive support in small groups, giving pupils valuable support to bring them up to speed so that they are more likely to succeed at secondary school.

The funding will not be ring-fenced for catch-up activities. It is used for additional literacy and numeracy catch-up during Year 7 given that this can make a profound difference to pupils at this crucial stage.

How is the funding used?

The additional funding is used at Madani to fund the following:

- Catch-up reading Programme
- After-school literacy and numeracy
- Intensive literacy and numeracy programmes at key points throughout the year
